Biopsychosocial-Spiritual Research Conference

call for abstracts

The SBH Spiritual Life and Wholeness Committee is calling for research study abstracts that involve topics related to spirituality or religion. The poster may be a new study, or it may have been presented previously. The abstract should be no more than 350 words, with a title of no more than 15 words. All authors should be listed, along with their affiliations. The submission should come from the presenting author, who must be present during the poster session on April 12, from 11:30 AM-12 PM. Email the proposal by March 1 to gracelee@llu.edu.
