Title: ___

As indicated in the LLU Course Catalog, students may meet their elective unit requirement through any graduate-level course offered by the Department of Psychology that is not being used to meet another requirement (including courses from other tracks), any graduate-level course offered in any other department in the School of Behavioral Health, and/or any graduate-level course offered in any other LLU school with department approval

NOTE: Students may use a portion of their elective units to complete a minor concentration in the Psychology of Religion and Spirituality. Please see requirements as provided by the department.
