Out of respect to individual challenges related to COVID-19, we have chosen to hold our tuition rates steady for the 2021-22 academic year.

- Total estimated program cost includes all tuition and externship fees with the exception of book costs. When comparing programs, it is important to consider all costs, as many programs only post their tuition costs without the associated fees.
- Tuition waiver is distributed across the three years of the program for full-time students.
- Students must apply and qualify for Federal Work Study (FWS) under federal regulations to receive this benefit. The current amount for eligible students is \$21.69/hr for each of the externships (200 + 200 hours = \$8,676), and up to \$6,507/yr for assistantships for up to three years (\$19,521). Individual tax rates apply, as funds are received through payroll. LLUH hourly employees are not eligible for FWS.
